

HOSTAGE RESCUE LEVEL 1

Presented By Pinnacle Tactical Solutions LLC

1/13/20 – 1/16/20

Description: *The hostage rescue mission! Are you ready for it? Is your team ready for it? It could happen ANY time!* Hone your skills and refine your tactics in this four day specialized Hostage Rescue Level 1 class. This class is designed to provide the intermediate tactical operator with the skills necessary to successfully perform the hostage rescue mission. The class will include classroom, range and practical application training.

The following material will be covered in this HRT Level 1 class:

- Principles and philosophies of hostage rescue
- Dynamic entry techniques in a hostage rescue environment
- Advanced tactical procedures
- CQB weapons skills and advanced entry tactics
- Use of flashbang diversionary devices

Date and Time: 1/13 – 1/16/2020 (8:00 – 5:00)

Location: Northern California Regional Public Safety Training Authority (NCRPSTA), 5436 Patrol Road, McClellan (Sacramento), CA 95652

Prerequisites: Attendees MUST have completed a Basic SWAT Course or equivalent in order to attend. Note: Students should possess an above average level of basic room entry and firearms skills.
