SECTION 4. CEQA FINDINGS. This Ordinance is exempt under CEQA Guideline 15301, Categorical Exemption Class I (“Existing Facilities”), because it regulates the ability of existing businesses on commercial property to advertise using portable signs and does not authorize an expansion of use. This Ordinance is also exempt under CEQA Guideline 15061(b)(3) because it can be seen with certainty that there is no possibility that the Ordinance may have a significant effect on the environment as it is intended to regulate existing land uses rather than to promote new ones.

SECTION 5. SEVERABILITY. If any section, subsection, sentence, clause, phrase or portion of this Ordinance or its application to any person or circumstance is held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Ordinance or its application to other persons and circumstances. The City Council of the City of Grass Valley declares that it would have adopted this Ordinance and each section, subsection, sentence, clause, phrase or portion thereof despite the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions be declared invalid or unconstitutional and, to that end, the provisions hereof are hereby declared to be severable.
