REQUEST FOR PROPOSALS

I. INTRODUCTION AND BACKGROUND

The City of Grass Valley is in the central/western portion of Nevada County, California, approximately 30 miles east of Marysville and about 20 miles north of Auburn. Grass Valley is a historic gold mining town which incorporated as a Charter City in 1893. As western Nevada County's economic hub, the City provides a full range of services.

The City of Grass Valley proposes to restore a section of creek, once a toxic mine drain, that runs through Memorial Park in the City of Grass Valley. Water in the Magenta Drain Channel flows from underground mine workings of the historical Empire Mine through Memorial Park. Local water courses are contaminated by heavy metals and other mining toxics. The Magenta Drain Channel flowing through Memorial Park previously required removal of contaminated sediment. In 2013, the City of Grass Valley removed all the contaminated soil from the park.

The City of Grass Valley is seeking sealed proposals from qualified firms to perform and oversee all necessary engineering design, environmental studies, permitting and related services for the restoration of an approximate 800 linear foot section of Magenta Drain in Memorial Park. The project aims to restore ecological function, improve water quality, reduce flood risk, and enhance public access. The primary funding source for planning and construction of the project is from Department of Water Resources, Integrated Regional Water Management Implementation Grant funds.

The project will be subject to the California Environmental Quality Act (CEQA) environmental review and studies. The consultant team will assist City staff in completing the CEQA documents and process.

This Request for Proposals (RFP) includes a complete description of the scope of work anticipated, proposal requirements, instructions and selection criteria, and a schedule for the proposed work.

Failure of the Consultant to maintain the insurance required by this Agreement, or to comply with any of the requirements of this Section, shall constitute a material breach of this Agreement.
- 13.11. **Notices.** Consultant shall provide immediate written notice if (1) any of the required insurance policies is terminated; (2) the limits of any of the required policies are reduced; (3) or the deductible or self-insured retention is increased. CAMPAIGN CONTRIBUTION DISCLOSURE PROVISIONS

Cities are subject to the campaign disclosure provisions detailed in Government Code Section 84308.

Please carefully read the following information to determine if the provisions apply to you. If you determine that the provisions are applicable, the Campaign Disclosure Form must be completed and returned to the City with your application.

No City Councilmember or other City official shall accept, solicit, or direct a contribution of more than \$250 from any party¹ or agent² for 12 months subsequent to the date a final decision is rendered by the City. This prohibition commences when your application has been filed, or the proceeding is otherwise initiated.

A party to a City proceeding shall disclose on the record of the proceeding any contribution of more than \$250 made to any City Councilmember or other City official by the party, or agent, during the preceding 12 months. No party to a City proceeding, or agent, shall make a campaign contribution to a City Councilmember or other City official during the proceeding and for 12 months following the date a final decision is rendered by the City.

A City Councilmember or other city official who received a campaign contribution of more than \$250 within the preceding 12 months from any party, or agent, to a proceeding shall disclose that fact on the record of the proceeding, and shall be disqualified from participating in the proceeding. However, if any City Councilmember or other City who receives such a campaign contribution who returns the portion in excess of \$250 within 30 days of knowing about the contribution and the relevant proceeding, he or she may participate in the proceeding.

¹ "Party" is defined as any person who files an application for, or is the subject of, a proceeding.

² "Agent" is defined as a person who represents a party in connection with a proceeding. If an individual acting as an agent also is acting as an employee or member of a law, architectural, engineering, or consulting firm, or a similar entity or corporation, both the individual and the entity or corporation are agents. When a closed corporation is a party to a proceeding, the majority shareholder is subject to these provisions.

To determine whether a campaign contribution of more than \$250 has been made by you or your agent to a City Councilmember or other City official within the preceding 12 months, all contributions made by you or your agent during that period must be aggregated.

Names of current City Councilmembers and other City officials are available on the City's website. If you have questions about Government Code Section 84308, FPPC regulations, or the Campaign Disclosure Form, please contact the City Clerk.
